

Els Poblets, ALICANTE

Villa built in 2004 at only 400 meters from Els Poblets, Alicante, Costa Blanca, Spain, in a residential area lived all the year.

Close to restaurants, supermarkets and just 1000 meters from the first line of the beach. It has a 585 sq meters plot completely flat where the house is situated and has 102 sq meters built with an entrance hall, toilet with shower, 2 bedrooms, 1 bathroom, living-dining room, kitchen with utility room and large terrace. Good construction materials: Aluminum windows with double glazing, electric blinds, individual air conditioning cold/warm, gas central heating with radiators, gres ceramic floor tiles etc... It has a garden with easy maintenance and enough space to build a pool. There is parking for two cars and a woodenhouse for gardening equipment.
